Dear Client of A2Z Diagnostics,

A2Z Diagnostics is pleased to offer same day upon receipt of specimen into the lab COVID-19 testing alone for asymptomatic patients along with combined COVID-19 respiratory pathogen testing on our FDA approved platform.

In addition, beginning today, Monday, May 18th, we will be offering FDA approved serology testing. This requires a lavender top tube sent to the lab.

Should you have any questions regarding our platform, feel free to call us at the lab @ 732-542-3200.

Stay healthy and thank you for your continued support of A2Z Diagnostics during this pandemic.

Regards,

A2Z Diagnostics
