

***Please wait 48-72 hours after your test to check your results**

1. Navigate to website and Create a New Account

www.lifepointlink.com/a2z/patientportal

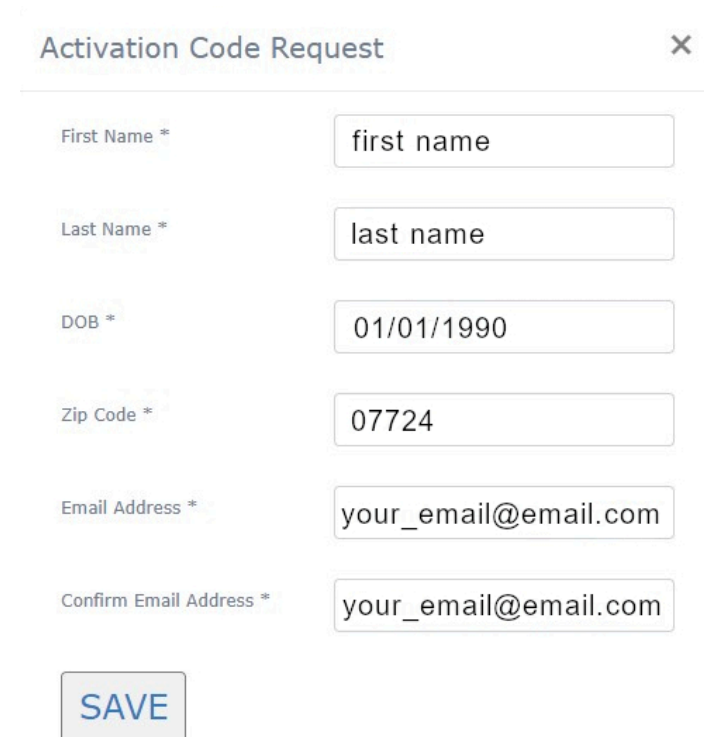

The screenshot shows the A2Z Patient Portal login page. At the top is the A2Z DIAGNOSTICS logo with the tagline "Excellence. It's In Our DNA." Below the logo is the text "Log in to your PatientPortal account". There are two input fields: "Username" and "Password". Below these is a "LOG IN" button. A link "Create a New Account" is circled in orange. Other links include "Activate Your Account", "Forgot Username or password?", and "Admin User Login".

2. Fill out the information on the Activation Request form.

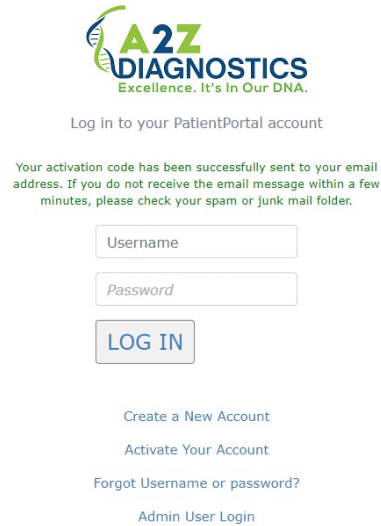

** Please be sure to use the exact name spelling (First and Last), Date of Birth and Zip code and match exactly what was used the time of your test. If this does not match, you will not be recognized in our Database.

** Use your email that you will use to view your Activation Code.

The screenshot shows the "Activation Code Request" form. It has a title bar with a close button (X). The form contains several fields: "First Name *" with the value "first name", "Last Name *" with the value "last name", "DOB *" with the value "01/01/1990", "Zip Code *" with the value "07724", "Email Address *" with the value "your_email@email.com", and "Confirm Email Address *" with the value "your_email@email.com". At the bottom is a "SAVE" button.

3. After clicking **SAVE**, the following will come up.

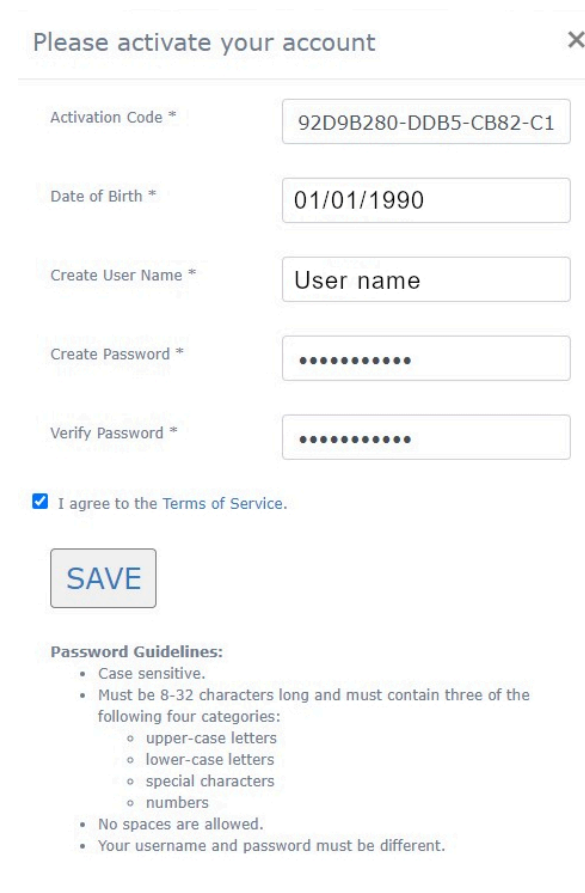

4. Now check your email that you entered. Find an email from Support@yourgotolab.com with a subject line **Activation Code for A2Z Patient Portal**. If you do not see it, please check your spam or junk folder. Click on the **Activation Code** number. This will send you to the portal and autofill the code on the next form.
